## Internet Scavenger Hunt

The rules: You are **competing** with the others in the class to see who can finish first. If you get finished before class is over, work on another assignment. This is a timed exercise. Do not start until told to so by your instructor. As soon as you are finished, notify the instructor and record the time. You may **NOT** print anything out while working on this exercise!

### Problem

### Site Used/Answer

1. What can you find out about women's golf? Find one area and give me a specific example.
2. What is the ZIP + 4 for 7723 Nan Drive, Roscoe, IL?
3. What is the Express Mail cost for a letter which weighs under 8 ounces?
4. Your boss is left-handed. Are there any office products in which she might be interested?
5. What is the price of colored file folders (third-cut) at the Staples site?
6. Your boss wants to go to Denmark for a trip. How many hotels will he have to choose from in Copenhagen? Which would you choose for him to reserve a room?
7. What can you find out about the Hubble Space Telescope? Let me know what you found most interesting.
8. Tell me what you think about [www.bots.internet.com](http://www.bots.internet.com). Would you use it?
